

Administrative System for to Ensure Food Safety

Kunio Morita

Japanese Association of Fermented Milks and Fermented Milk Drinks

Hoken Kaikan Bekkan, 1-1 Sadohara-cho, Ichigaya, Shinjuku-ku, Tokyo 162-0842, Japan

Summary

To ensure food safety, the distribution of foodstuffs hazardous to human health must be banned. Such a society-wide restriction should be based on law. What laws institute what restrictions? The article explains such laws, as well as the surveillance mechanism and testing and inspection systems in practice.
